CHURCHILL DOWNS READY

NEW LOUISVILLE JOCKEY CLUB'S COURSE IN FINE ORDER FOR TOMORROW'S OPENING.

Keen Interest Manifested in Kentucky Endurance Stakes, Which Will Have Its Third Running-Gossip from Kentucky Sources,

Louisville, Ky., October 6.—The local racing seeie now shifts to Churchill Downs, where on Wednesday that meeting of the New Louisville. Trainer W. S. Trevey has informed Secretary Lyman H. Davis that if nothing happens to C. F. Buschemeyer's noted gelding, Hawthorn, he will start him in the third race at the Downs next Wednesday, a five and a half furlongs dash, in which his weight will be 110 pounds, Trevey had not intended starting Hawthorn so early, but the son of Hastings worked three-quarters in 1:14 a few days ago and apparently was not in the least distressed. He believes that with another short breeze, he will be ready to run a good race in a short affair like this next Wednesday.

Wednesday, a five and a half furlongs dash, in which his weight will be 110 pounds. Trevey had intended starting Hawthorn so early, but the son of Hastings worked three-quarters in 1:14 a few days ago and apparently was not in the least distressed. He believes that with another short breeze, he will be ready to run a good race in a short affair like this next Wednesday. Engene Rucker, Georgetown turfman, is here for the Churchill Downs meeting and reports that he and his breeding partner, Kinzie Stone, have decided to dispose of their, thirteen yearlings in the sale which will be held at Latonia this fall. They have some choice youngsters in their collection, including a coll by Voter out of a half-sister to the noted fron Mask, a brother to Please Welles and a half-brother to the Kentucky Derby winner of 1908, have only a short lease of life.

SEASON'S RECORD OF HORSES THAT HAVE BROUGHT H. GIDDINGS INTO PROMINENCE

A Canadian stable that has been retired from this year's racing with a good record is that which race more than satisfactorily for H. Giddings. It was made up nearly exclusively of the progeny of his St Simon sire, Bassetlaw, and one of these, Hearts of Oak, gave him the most keenly coveted trophy of Cana dian racing when he galloped home victorious in the King's Plate at Toronto last May. His crack two year-old, Beehive, won all of his six races and, so far as foresight can go in such a case, is apparently destined to himself become a King's Plate winner in 1914. Ondramon and Sarolta also won well for the stable and its record for the year is:

Stone Street. The latter youngster is by Toddington. Trainer John Walters has had Dr. C. Cann geld G. M. Hendrie's two-year-oids, Tattler and Strathearn, for which Mr. Hendrie paid \$1,150 for as yearlings last season. Both will be turned out until next season.

J. W. Young has arrived from Montana with Auto Run and Princess Janice. It is his first appearance in Kentucky since he raced Alma Boy several seasons ago. It was trainer Young that bought for Grefer & Bender the noted filly, Floral Park, winner of the Douglas Park Inaugural Handicap this fall.

Theodore Abadie's gelding, Tom King, which has been on the ailing list off and on during most of the last two years, is now training well for that turfman. He worked a mile at the Downs a day or so ago in a shade better than 1:44 and came out of the performance without showing any signs of lameness or soreness. Abadie does not expect to race Tom King befor the Latonia meeting.

Clubs' time of 3:26 for two miles in winning the Louisville Cup not only reduced the previous track record at Douglas Park, but is the fastest two miles ever run in Kentucky. Previous to Clubs performance the track record at Douglas Park was 3:30%, made by Belleview October 7, 1908. The fastest previous time made in Kentucky at this distance was on May 29, 1877, when Ten Broeck ran two miles at Churchill Downs in 3:27½, against time. The Churchill Downs record for this distance in a race is 3:29% and is to the credit of the filly Claudia. Until Clubs won the Louisville Cup the Kentucky record for two miles in a race was 3:28% made by Azo at Latonia in 1909. But 4wo horses in the history of American racing have run two miles at sfast as Clubs did on Saturday at Douglas Park, they being Everett, holder of the American record of 3:25% for this distance, and Fitz Herbert, which had been turned out for some time, also Joined the Schorr stable and will be under the American Park, they being Everett, holder of the American Park, they being Everett of the But of the Cubs and trainer Perkins will t

CANADIAN RACING PLANS-ON PAPER.

John Knox believes it is Rod Mackenzie, son of Sir William Mackenzie, backed up by a syndicate of ten other Torontonians, who have secured an option on fifty acres of the old Freeman farm at present owned by himself and Alexander Duncan; also an option on fourteen acres on the Mitchell farm adjoining, just north. This is right at the Burlington junction, just seven miles from Hamilton. This will give them in the neighborhood of 65 acres. More land is available if required. The option is good for ninety days. If the syndicate floats the enterprise an up-to-date mile race track will be built, with stabling and clubhouse superior to anything at present on the Canadian turf. It is the intention to bold three race meetings each year—a running meeting in the spring and fall and a big midsummer trotting and pacing meeting—and the track will form part of the Grand Trotting Circuit of America. Parl-mutuel machines will be used at all three race meetings. Bookmaking of any description will not be permitted on the grounds. Montreal and Windsor have decided to the install the parl-mutuel machine betting, Hamilton. Fort Erie and Ottawa will, it is contended, find it to their advantage to get in line and follow suit, and thus be on the right side of the minister of justice. By doing this they will not provoke another Miller bill, it is believed.—Hamilton Herald.

Toronto parties have been in Windsor lately looking up a location for a half-mile race track and it is said they will apply to the Legislature for a charter. If such were granted they would be on the same footing as the Windsor Jockey Club, and there would be twenty-eight days of racing in Windsor every year instead of fourteen, The promoters of the new track are said to be working in the interest of the men who are conducting the Toronto balf-mile affairs.—Windsor Record.

The Record makes the following editorial comment:

"As will be seen by the news columns, preliminary steps are being taken with a view to estab-

ment:

"As will be seen by the news columns, preliminary steps are being taken with a view to establishing another race track here, with a half-mile loval, and fourteen days more of racing during the season, making twenty-eight full days in all.

"Windsor is well satisfied with the present racing calendar and will hardly countenance the 'merry-go-round' proposal by the Toronto men behind the project.

"The proposal of these outside parties to estab-lish another racing plant almost solely for the ac-commodation of "the fraternity" in Detroit can only be carried through by overriding the opposing sentiment of the people here. "It is unlikely, however, under these circum-stances that the Government would dare to grant another charter for a place the size of Windsor."

COMMENT ON HILLCREST RIOT.

Concerning last Friday's riot at Hillcrest the

Concerning last Friday's riot at Hillcrest the Toronto Star says:

"Yesterday's incidents at Hillcrest track aptly illustrate the difference in sentiment on big tracks and on the half-milers in these parts. Trouble has occurred on big tracks before today, and crowds of excited people have surrounded the judges' stand, particularly when close decisions have to be rendered, and jecred when the decision did not suit them, but no attempt was ever made to invade the track and stop further racing.

"Of course, there is this to be said—nothing paralleling the big spill at Hillcrest yesterday has ever taken place on any of the big Canadian tracks, and so there were not so many disgrunted people to make a clamor. When six out of eight horses in a race fall, including the favorite and the strongly supported second choices, the howl which went up was bound to be a popular one, for nine out of ten of the bettors saw a chance to get their money back—if they made noise enough.

"At the Woodbine track people who tried to invade the track would have been met by a force of police and arrests made instantly. If the police had made the same move at Hillcrest the whole affair would have been over in a few moments and there would have been no stoppage of the racing. If the police on duty at the track had handled that mob the same as they would any other unruly mob they would have been doing their duty.

"Racing rules are racing rules and the judges were doing their duty when they hung out the numbers of the two horses as they finished and declared it a race. The declaring off of bets on third place horse because they fell leaves a dangerous precedent. In future every man who has a bet on a horse which falls will fancy that he is entitled to his wager back, Horses fall on every track in the world. If a horse bled, as Johnny Wise did yesterday, and fell in front of a field in full career at any mile track, there would be just as many spills. The crowd at the half-milers, however, contains an element which is always open to rumors of

ANOTHER ACCIDENT AT HILLCREST.

Toronto, Ont., October 6.—A serious spill marred today's racing at Hillcrest Park. The accident came in the final race on the dangerous eastern turn, where Gagnant, while running in second position, crossed his legs and fell. All the horses following but Dorothy Webb went down and Gagnant stepped on jockey Ferguson's head. The lad was rushed to the hospital with a badly gashed face. Jockey Franklin's head was cut, but the rest escaped.

Jockey V. Adams, unseated by Mary Pickford in the first race, was badly bruised and cannot ride tomorrow.

the first race, was badly brulsed and cannot ride tomorrow.

The favorites were in eclinse today, Sunguide being the only one to score. Mrs. Lally, at 15 to 7, won the second race and Rose Oneil, a despised 8 to 1 outsider, was also among the day's winners. The sixth race provided another upset when Cassowary, at 8 to 1, scored in runaway fashion.

Jockey Dalton McCarthy was taken ill after the third race and was forced to cancel his remaining engagements.

BELMONT TWO-YEAR-OLD EASILY REDUCES TRACK RECORD AT LAUREL.

Outclasses His Opposition and Wins Race in a Canter After Leading Throughout-Montresor Is Returned Winner of Overnight Handicap.

* Laurel, Md., October 6.—Racing at Laurel this afternoon was held under much pleasanter conditious than heretofore during the meeting and a tremendous gathering, almost equaling in point of numbers that of Saturday last, came over from Washington and Baltimore to witness the sport. The fields railed larger than on any day since the meeting began, and stirring contests resulted. Thirty-six layers were in line and speculation was brisk. The feature race, a mile and seventy yards handicap, found Montresor an easy winner. He was ridden by J. McTaggart and had things pretty much his own way throughout the last half mile. The other contenders suddlenly dropped back in making the turn into the homestretch and at the end they closed with belated rushes.

August Belmont's Stromboli, one of the colts that August Belmont's Stromboli, one of the colts that August Belmont will send to France next year, smothered his field for speed in the second race and won in a canter after being held under restraint most of the way. Stromboli is evidently a high-class youngster. It is said he will be put to jumping on the other side. His time of 1:07 represented a new track record for five and one-half furlongs.

W. R. Midgeley was at the track today for the

most of the way. Stromboli is evidently a highclass youngster. It is said he will be put to
jumping on the other side. His time of 1:07 represented a new track record for five and one-half
furlongs.

W. R. Midgeley was at the track today for the
purpose of engaging jockeys to ride in the Piping
Rock subscription race, to be run over the Locust
Valley track Saturday. He obtained Byrne, Butwell, G. Van Benschotten, S. Davis, H. Radtke,
Upton, Wolfe and Fairbrother and hopes to have
others. Midgeley will train for Gifford A, Cochran
next season and, besides ten yearlings, he will have
the three-year-olds Connemara and Oktibbena.

Thomas Hitcheock's Harbor Hill candidate, Bayport, died at Benning this morning, This three-yearold made his first appearance at Saratoga and from
there he went to Canada, where, under the training
of G. R. Tompkins, he did not lose a race. His
last race was one in which he beat an all-aged field
of horses. On all that Bayport had shown, he undoubtedly would have been favorite for the Harbor
Hill, for which he was being pointed.

W. P. Riggs, secretary of the Maryland Jockey
Club, was a visitor today. He reported that for
the coming meeting at Plimlico many changes would
be found, one of the most notable being the moving
of the water jump to a position in front of the clubhouse. The jump that was there has been advanced
seventy-five feet.

W. C. Edwards, secretary of the Metropolitan
Jockey Club, served as acting secretary for the
Maryland State Fair Association today, taking the
place of Fred Rehberger, who was called to New
York.

Matt J. Winn and James Butler left for Louisville
tonight to be present at the running of the Kentucky
Endurance Stakes at Churchill Downs October S.
Several other horsemen have expressed the intention
of making the trip to see this event.

Louis Garth, who was baddy hurt by a fall in a
point-to-point race in Virginia recently, was at the
track yesterday.

George Sherman will have charge of the engage ments of jockey W. Ward, a Baltimore boy who is under contract to A. L. Aste.

Jockey Walter Suyder, who was injured in Canada about a month ago, has reported to John J. Mc-cafferty, his contract employer, at Lexington, and will ride at Latonia. He has fully recovered.

Marcovil and Tropaeolum will not carry the Dy ment colors again. The former has been sold to D Leroy and will find his way to the half-mile circuit. G. W. Beardmore, M. F. H., has bought Tropaeolum and will make a hunter of the big Nastur tium borse.

W. Allison, despite Tracery's defeat for the Jockey Club Stakes at Newmarket by Cantilever last Thursday, has advised his principals again to offer \$200,000 for August Belmont's horse, although the original proposal was made subject to the condition that Tracery remain undefeated.

that Tracery remain undefeated.

E. R. Bradley has made a deal with J. W. Johnson by which he will become the owner of Milton B. and Flora Fina when they retire from racing at the end of next season. Mr. Bradley was anxious to secure Flora Fina for breeding purposes at Idle Hour Farm on account of her blood lines.

Clubs, winner of the Louisville Cup at Douglas Park Saturday, was bred by the Cincinnati turfman-H, M. Ziegler, at Highland Stud, near Lexington, and sold by him as a yearling at public auction for \$245 in 1910. With the exception of one other colt, he was the only son of Royal Flush III. disposed of at that time and the other youngster, which sold for \$90, was that speedy sprinter, Casey Jones.

H. I. Wilson, of Montana, is in Kentucky for the running of the Kentucky Endurance Stakes and while there will make an inspection of the thorough-bred mares Mildred Schulte and Winnie Cook, which he has quartered near Lexington. Mildred Schulte has a weanling filly this season by Peter Pan, and has been mated to Celt, while Minnie Cook has a weanling filly by Ultimus and is now in foal to Order. Mr. Wilson believes that Great Falls, where racing was established this year, is destined to become one of the best racing points in Montana.

The respective favorite for the Kentucky Endur-

come one of the best racing points in Montana. The prospective favorite for the Kentucky Endurance Stakes. Sam Jackson, worked a mile and a half at Churchill Downs last Saturday morning as follows: eighth, 16%; quarter, 30%, three-eighths, 44%, half mile, 59; six furlongs, 1:28%; seven furlongs, 1:42%; mile, 1:56%; mile and an eighth, 2:11%; mile and a quarter, 2:26; mile and three-eighths, 2:42%, and mile and a half, 2:59%. He pulled up quite sore, but both his trainer and owner say this is a rule with this noted performer and has been the case in every work-out, slow or fast, he has had since he first was put in training. According to the statement of owner J. L. McGinnis, he always comes out of these trials in good condition, in spite of the lameness he shows when he pulls up.

NOTES OF THE TURF IN FOREIGN LANDS.

In consequence of the death of the mother of Lord St. Davids, his horses will be raced in the name and colors of Charles Waugh until the end of

October.

Night Hawk, the St. Leger winner, is among the acceptances for the Cesarewitch and, having incurred a ten-pounds penalty by his success, his weight is now 109 pounds.

The King of Wurtemberg has taken subscriptions to Rock Sand for 1914 and the following two years, while the Duke of Portland and Col. C. Birkin have taken subscriptions for next year.

Until this year W. Hall Walker had not won the St. Leger. His colors had been twice carried first home in the One Thousand Guineas and once in the Oaks, so that classic honors were not new

to him.

Verney and Lance Chest have been scratched for all engagements this year. The last-named was among the entries for the Cesarewitch and Cambridgeshire and also had an engagement in the Newbury Cup.

A proposal has been made to hold a conference of representatives of racing clubs at Melbourne during Melbourne Cup week, for the purpose of considering certain suggested alterations to the Australian rules of racing.

White Marie, the second in the St. Leger has

white Magic, the second in the St. Leger, has accepted for the Cambridgeshire with 109 pounds, but has gone out of the Cesarewitch, Seremond, third in the St. Leger, has also accepted for the Cambridgeshire with 99 pounds.

Although only recently selected to succeed his dead sire Desmond in the stud, Lomond's list for 1914 is now full, and only a few nominations to him remain for 1915. He stands at the Fort Union Stud, Adare, County Limerick, Ireland.

Not only did a rank outsider winn the St. Leger, but added to the puzzle by covering the distance in the record time of 3:03%. The previous best was by Swynford, 3:94, while Prince Palatine occupied 3:06, and Tracery last year in 3:11%. Some recent times have been very much faster than those recorded twenty or thirty years ago, Ormonde, for instance, took 3:21%; Common, 3:14%; Isinglass, 3:13%; Persimmon, 3:20; Flying Fox, 3:15%, and Sceptre, 3:12%.
